Meeting called to order by Chairman Mike Schwehr

Motion by Carlbom, 2nd by Roorda to approve the October 12, 2017 minutes. Motion carried.

Meeting recessed for the Hearing for Terry Langdahl for a Variance for Structure Setback of 8' from the North property line. No one appeared to protest. Chrman Schwehr reopened the meeting for discussion. Several questions were answered that the board had needed further information about. Motion by Carlsrud, 2nd by Carlbom, to deny the Variance for Structure Setback of 8' from the North property line. Motion carried.

There was discussion about a tree line that was planted many years ago to determine if a variance would be necessary if a fence line was moved. Because the trees were farther from the road than 200' no variance would be needed. Other discussion included leaving trailers parked along subdivision roads and notifying landowners about fines for not getting permits.

The following building permits were reviewed:

Donald Gruman – House Addition – SW1/4, 19-139-56, Springvale Twp.
James McFadgen – Hoop Structures – NE1/4, 11-141-59, Stewart Twp.
William Poukka – Addition – NW1/4, 4-139-57, Cuba Twp.

Motion by Carlbom, seconded by Roorda to adjourn the meeting. Motion carried, meeting adjourned.

Jessica Jenrich, P&Z Administrator
