

The Barnes County Commissioner Park Board met on Monday, April 26, 2004, with all members present.

Park Board Chairman, Commissioner Maasjo called the meeting to order.

Chairman Maasjo presented an annual cost sheet showing the yearly costs involved with operating Clausen Springs Park.

Terry Steinwand, North Dakota Game and Fish, informed the Board that the Game and Fish Program only allows a maximum of \$1,500.00 aid to parks.

Discussion took place on funding park expenses, ideas for upkeep, and how to manage park enhancements. It was the consensus of the Park Board to work on getting other entities and organizations involved as partners to achieve their goals to enhance the parks and in turn increase usage and fees in county parks.

Discussion took place on pumping out the sewer tanks, the cost would be approximately \$200.00

Kerry Johnson updated the Board on the State Highway Project on Highway #46 along Little Yellowstone Park.

Kerry discussed grant dollars approved for the purchase of a concrete toilet to be installed at Little Yellowstone Park.

Commissioner Schwehr moved and Commissioner Bertson seconded to adjourn.
