Absent: Cindy Schwehr, John Behm

Also Present: Robert M. Nelson

Chairman Eldred Knutson opened the meeting.

Bob Nelson met with the Board to discuss vehicles he has parked near the Oakes interchange on his private road. Mr. Nelson assured the Board that he has moved the cars behind his trees and his camper will be moved when he makes room.

Building permits for the following were reviewed:

- James Rolf, Lt 19, Lees Sub, Ashtabula Twp
- Rodney Schauer, NE1/4 20-139-58;
- Virgil Kratz, SE1/4 28-139-58
- Doug Kratz, Lt 1, Blk 3, Mielke Sub, Sibley Trail Twp.

Mr. Knutson discussed the need to review the county zoning code for updates and corrections, and that such changes should be presented either to him, Bob Eggert, vice-chairman, or Betty Koslofsky, zoning coordinator.

Eggert discussed an LP tank parked on a right-of-way and that is now moved 90 feet from the center of the road.

Discussion was held concerning a letter sent by Ms. Koslofsky to Kristin Plecity regarding campground hookup installation, which had not been approved by the Zoning Board or the ND Health Department.

There being no further business to come before the Board, Froelich made a motion, seconded by Werkhoven, to adjourn. Motion carried.

Edward R. McGough, Secretary
Barnes County Planning & Zoning Board
