Meeting called to order by Chairman Mike Schwehr

Motion by Olauson, 2nd by Bopp to approve January 9, 2020 minutes. Motion carried.

The board discussed the changes to the Commercial Feedlot ordinance, Administrator Jenrich explained that two people from the state were here to go through our current ordinance and helped with the changes that needed to be added. The board will vote on these changes at the April meeting. Jenrich told the board if there was anything they wanted added or changed to let her know.

Jenrich also wanted to let the board know about a violation of the Development Code and that there may be other things coming up with it so they know ahead of time. It was to deal with some grain bins that were built too close to the road which is actually a state highway and also the bins may be within the state right a way to so Jenrich is waiting on the state to let her know how they will be handling this, this will probably be brought to the board again at the April meeting.

No building permits were present to be reviewed.

Motion by Legge, seconded by Roorda to adjourn the meeting. Motion carried, meeting adjourned.

Jessica Jenrich, P&Z Administrator
